Lepanto High School
Lepanto, Arkansas

Appreciation

Sometimes fate sends a man of a certain personality to a situation that demands his kind of ambition for his causes, his drive, and his ability to achieve. In the summer of 1965, William E. "Bill" Langrell took the captain's chair for Lepanto School District and has since been an outstanding school leader, not only in the Lepanto District, but also within the workings of the Arkansas Educational System. He has steadily maintained contact with the state department that has resulted in untold benefits. He has struggled successfully in both positive and negative conditions for the betterment of our school.

When Mr. Langrell arrived in Lepanto, the elementary school building had to be completed. For several years the athletic field had not felt the pounding of spikes or heard the roar of the cheerleaders and fans. This quickly changed. A much needed remedial reading program for elementary school was instigated. The first art department for junior and senior high school was enthusiastically received by the students and the North Central Association. Expansion of the commercial department was implemented to further serve that group of students.

A dream of his for a band for Lepanto School was realized, and today we are all supremely proud of this group. Bill Langrell started the annual Honor Banquet that recognizes and rewards those students who achieve certain academic goals. He has diligently worked with students' needs for academic and athletic scholorships in fields of higher learning.

The new gymnasium was a necessity of long standing, and he successfully led that undertaking.

Mr. Langrell's wife Jean has taught math here on both junior and senior high levels and has been acclaimed an expert in her field by both district and state associates. They have had their three children: Billy, Jeanne, and Sallie Marie while they've been in our midst. The Langrell family has also been very active in the First Baptist Church through the years.

Mr. Langrell, thank you for tangible and intangible efforts and accomplishments. We needed you. We appreciate you. You and your family will carry our love and esteem to your new endeavors.

Dedication

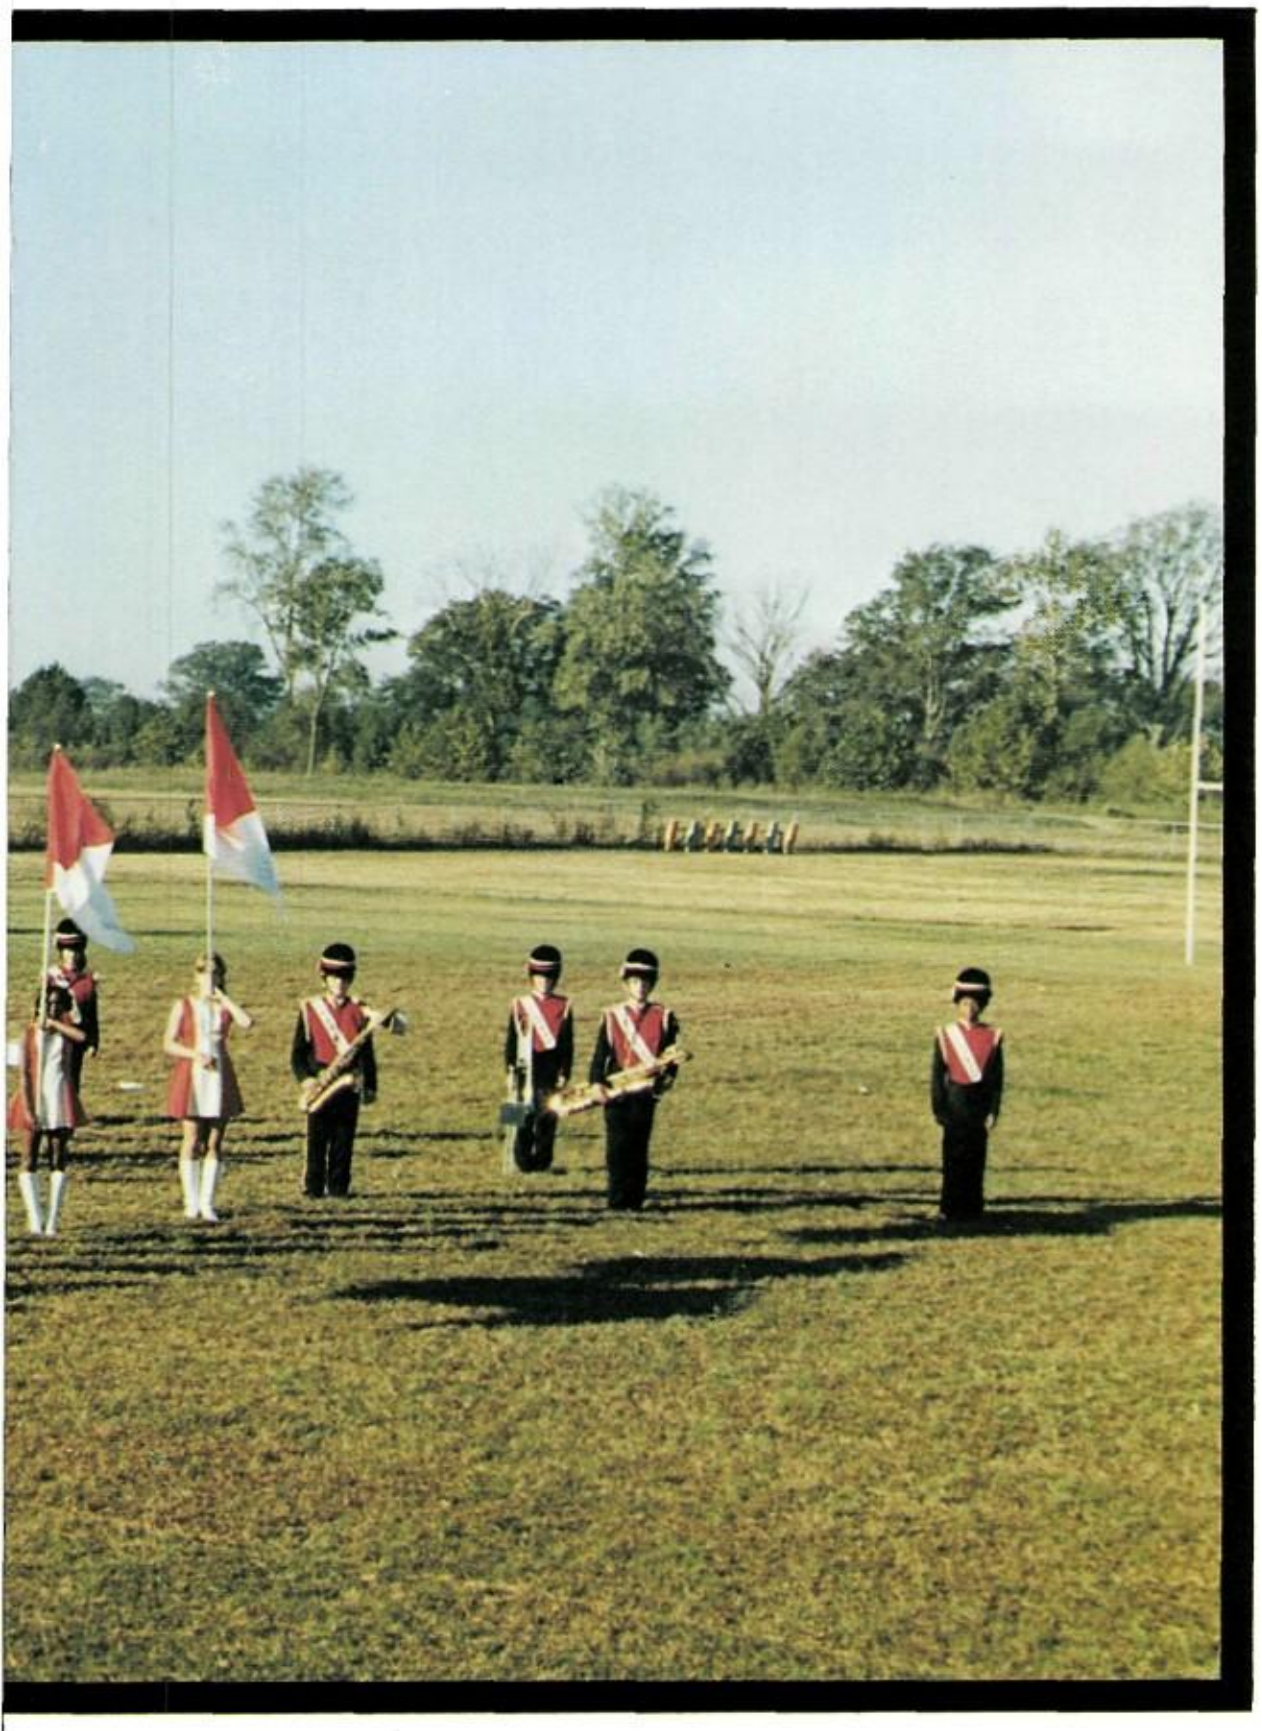
Flag girls-Capt. W. Pickens, H. Vaughn, D. Fox, L. Merriweather, P. Young, and L. Barnes. Band-back row, Drum Majorette-F. Guin, K. Guin, B. Langrell, T. Brooks, T. Abbott, Director-Danny Davis -D. Harris, R. Bryan, J. Pritchett, J. Truelove, R. Richardson, S. Coley, C. Smith, G. Crews, J. Fisher, M. Steakley, H. Saunders, D. White, P. Marshall, L. Nixon, Front row-R. Stovall, C. Thompson, A. Thompson, W. Lacy, C. Stiles, G. Edwards, and D. Lee.

This year's Panther Staff would like to make a special presentation to a special group within our school. This group has inspired others with their dedication and determination. They have taught that in order to achieve you have to work hard. They have brought out an important part of LHS, a part that is very essential . . . music. They have proven their rare talents to all of us.

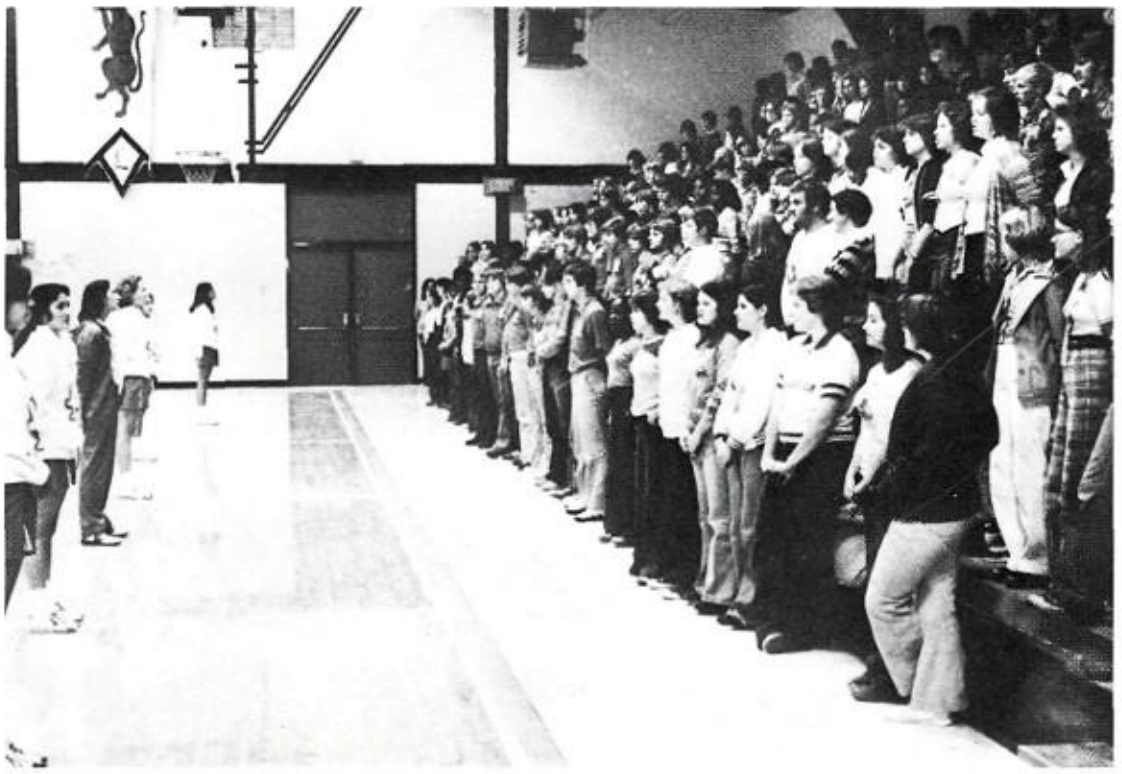
The Panther Staff would like to show our token of appreciation by dedicating the 1977-78 yearbook to the Music Department and Mr. Davis, for giving us a part of LHS that seemed so long ago . . . or so far away.

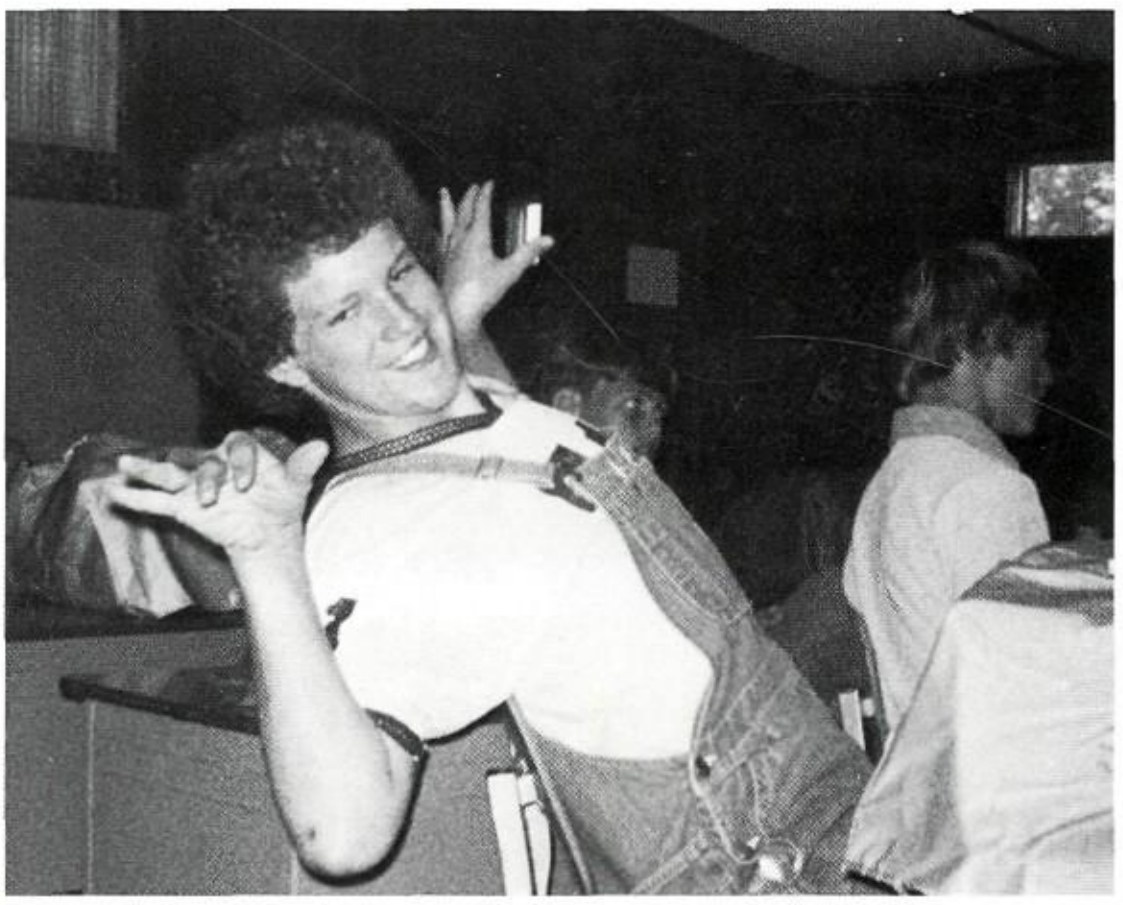
Music is soft and sweet and the sound is a comfort
a pace; it can be good or bad, happy or sad, but

into ones ears. Like time each has
both, the melody lingers on.

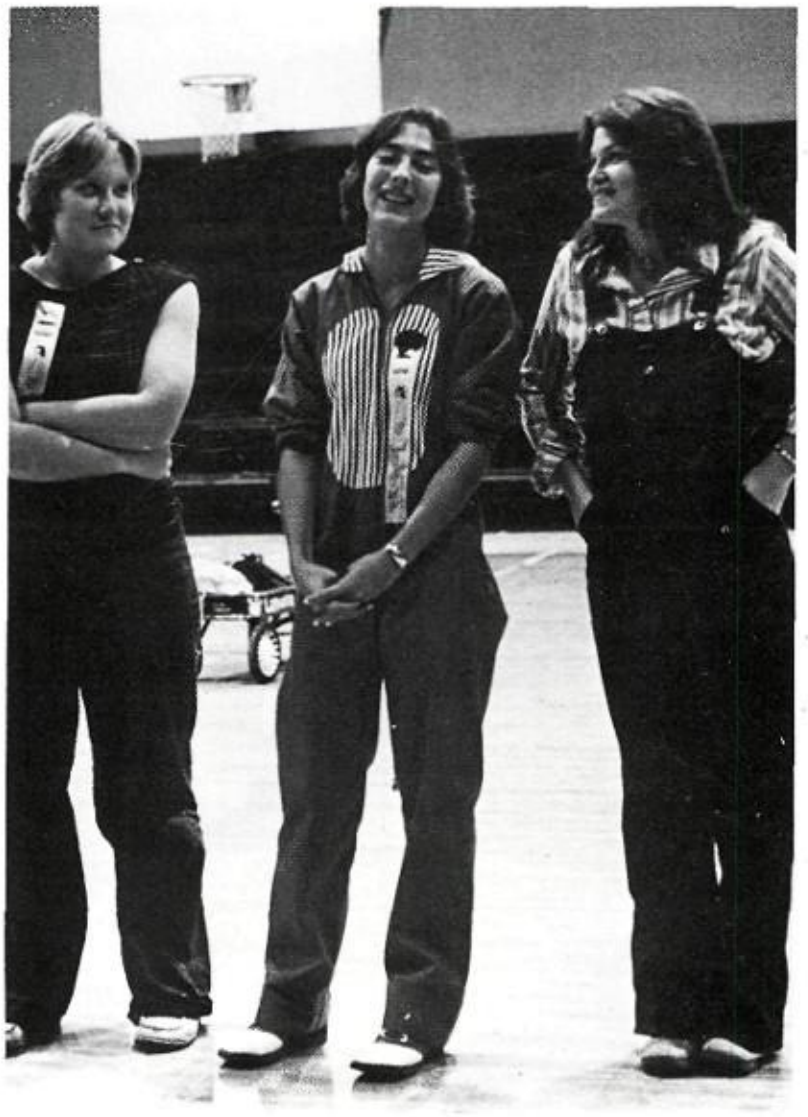


If You Want To Sing Out,





Sing Out!



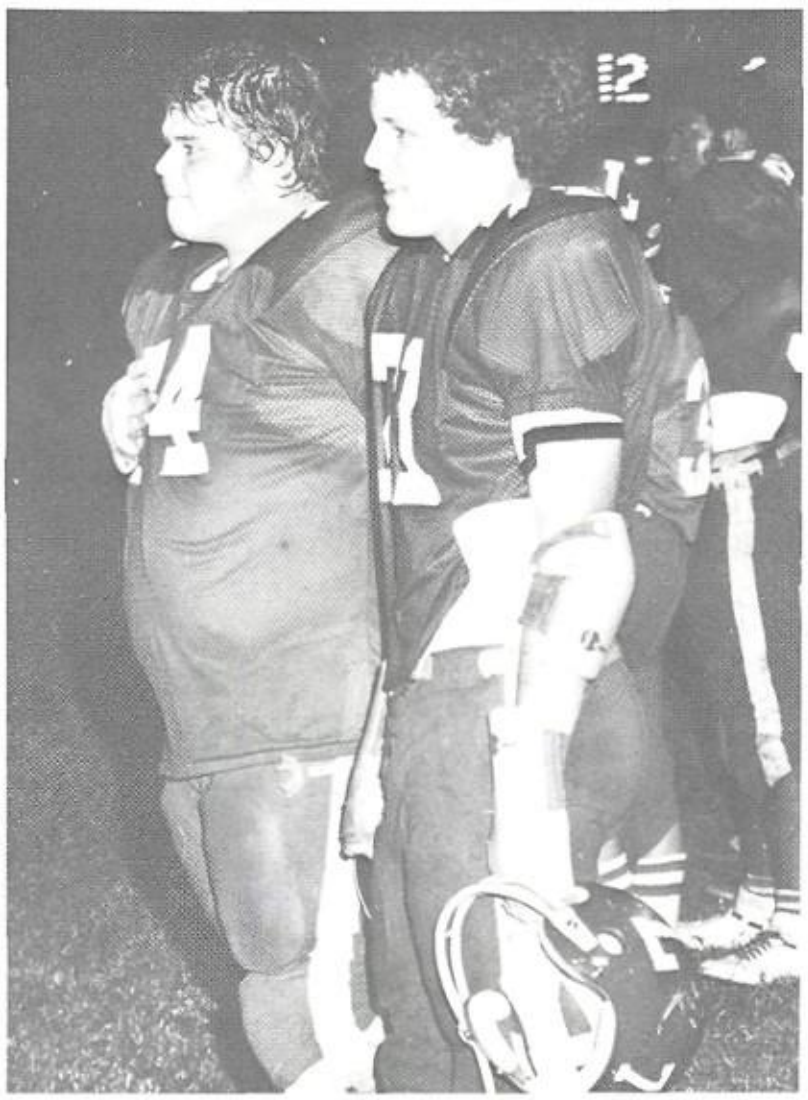
If You

Want To

Be Free,

Be Free!

If You
Want
To
Say
Yes,



Say Yes!

And If You Want To Be You, Be You!

Of Mind Over Pain

The crucial moments of life, the highest dramas, so often seem reduced to exasperating clichés. "The thrill of victory," an announcer intones knowingly, "the agony of defeat."

But in sports, like life, the important words are carved on the faces that survive. They speak with blistering clarity of triump, of the elation of finishing first the sweet taste of accomplishment that comes from finishing . . . just finishing.

At the beginning of each year a coach is always concerned about the leadership from his Seniors on the team. I can say I had three of the best. Thanks girls, I shall cherish the memories.

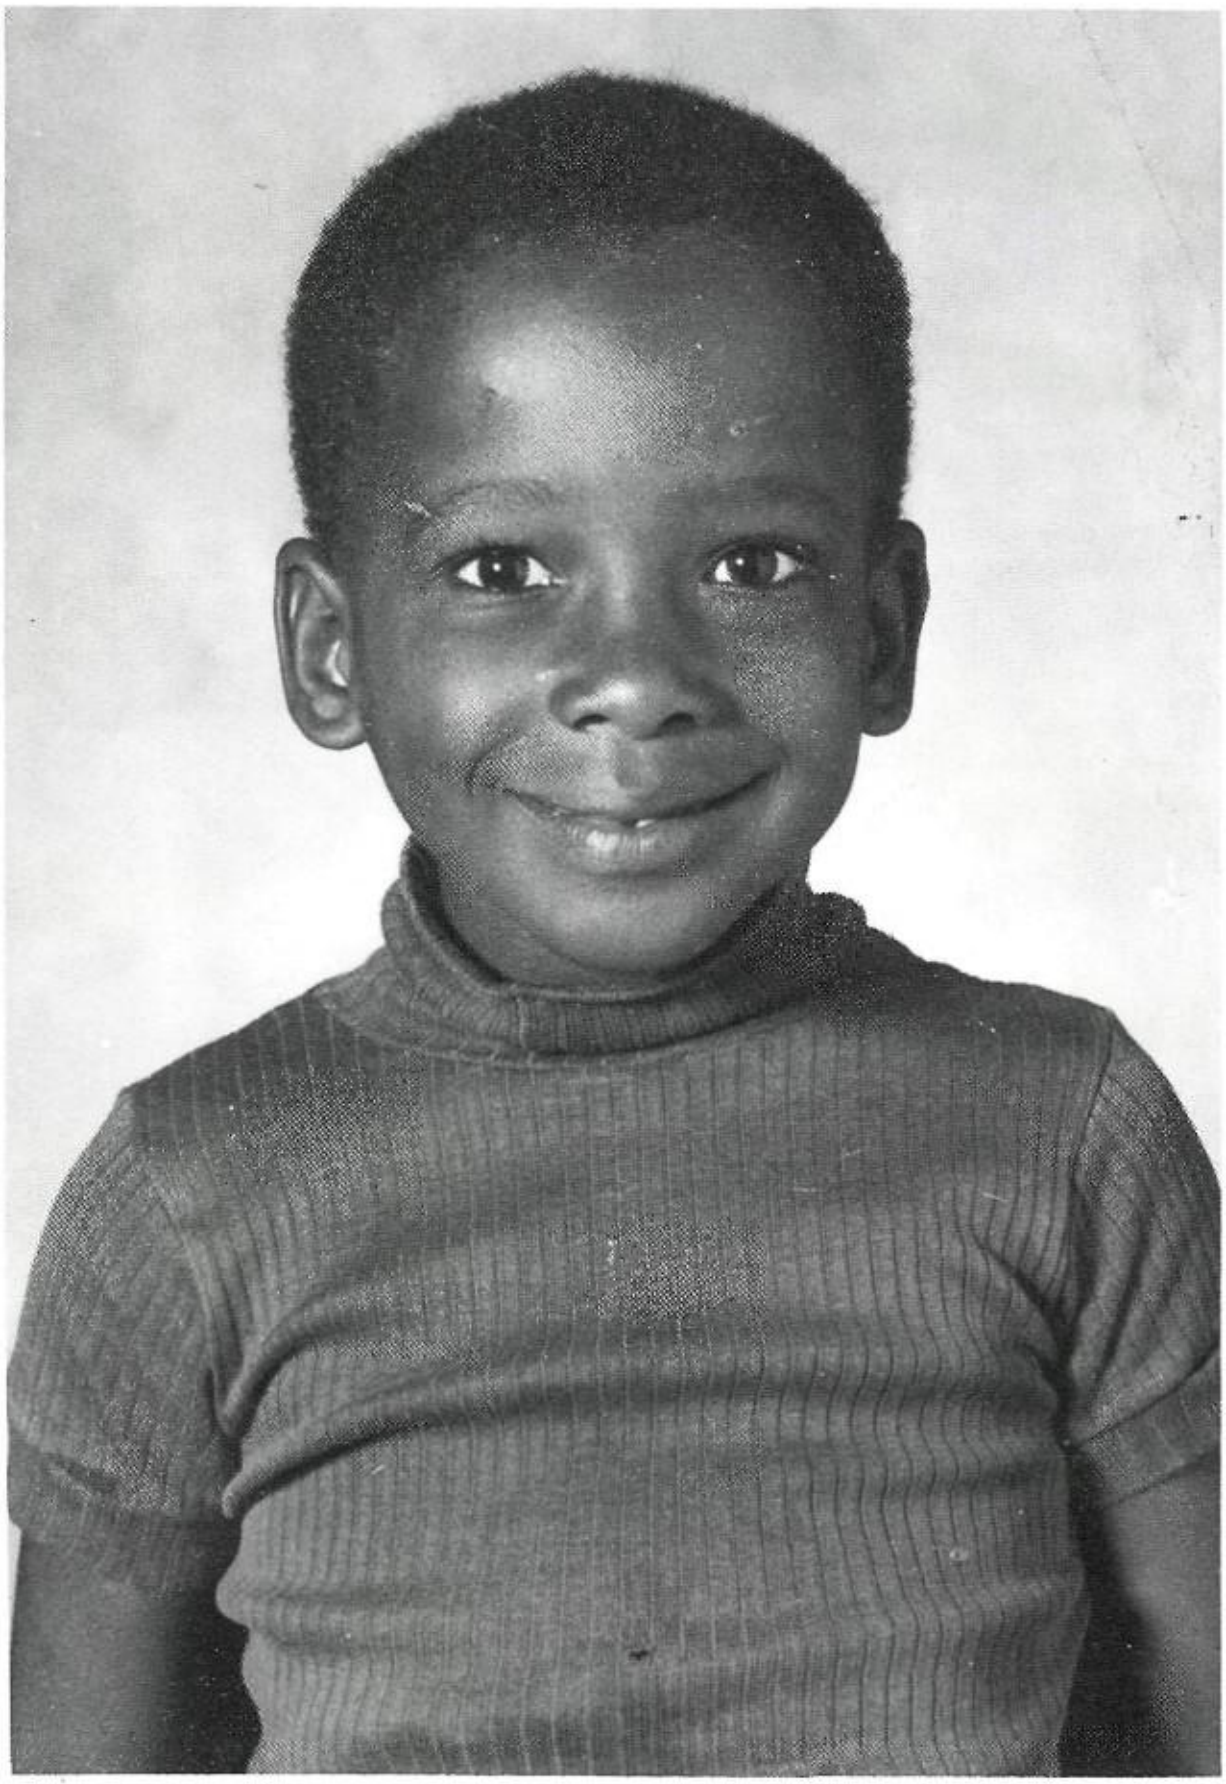
In Memory Of

Eric Deon Garrett



Eric Deon Garrett born May 28, 1972 to Carrie Garrett, was a kindergarten student at Lepanto Elementary.

Rocked in the cradle of the deep
I lay down in peace to sleep;
Secure I rest upon the wave,
For Thou, O Lord, hast power to save.
I know Thou wilt not slight my call,
For Thou dost mark the sparrow's fall;
And calm and peaceful shall I sleep,
Rocked in the cradle of the deep.

By Emma Willard

Each year we add a new verse

to our song as our memories

compose a beautiful refrain . . .

You are a very sweet person who I like alot! Too bad you're sinsane though. I'll guess you can't help it though. You've been around Sarah way too long. It's been nice having you in class this year as well. You keep me laughing. Hope you keep me laughing next year! Thanks for that 2-bottle power you did for me and Vicky that night! Good luck and best wishes and all that mushy stuff. Stay as you are.

Love ya,
Sherri

Steve,
Can't believe it's our last year together. I've had a really good time with you in class. Someone I have come to know as a cruel world and I will always remember you as such. I hope you will be future and always remember me. I'm the future lawyer, a remember me with all of your future friends and all of your new experiences. Good luck in the future, Randy

I know you reserved this page for me.
I'll never forget you in our play. "Uncle Walter"
(Remember Kens Ring?) you was the best. We have had alot of ups
and downs in our friendship. But it always
comes out in the wash as you say! If I had
a penny for everytime you got mad at me this year
I would be rich. If it is possible to love someone
you care about as a friend. and the way I love someone
the way I love you. is great. I don't know what
I would do without your friendship. You are the
worlds greatest friend. I hope you love me the
same way I love you. If I ever had to choose a mother
mate it would be you. Gary knows the way I
feel about you. And knows I turn to you when I
need someone to tell me what I need to hear. You
are always there when I need you. You have never
failed me. This year has gone by fast and next year
will go even faster. As a friend you'll always
rate #1 on my list. you're very dear friend to me.
And you'll always have a place in my heart.
I hope we remain friends along time. Best Wishes
in the years to come I know you'll get what you
want out of life.

Love You Always.
Your friend,
"Beckie Lynn"
